Please let me take you
 Out of the darkness and into the light
 Cause I have faith in you
 That you're gonna make it through another night
 Stop thinking about
 The easy way out
 There's no need to go and blow the candle out
 Because you're not done
 You're far too young
 And the best is yet to come
 So just give it one more try
 To a lullaby
 And turn this up on the radio
 If you can hear me now
 I'm reaching out
 To let you know that you're not alone
 And you can't tell
 I'm scared as hell
 Cause I can't get you on the telephone
 So just close your eyes
 Well honey here comes a lullaby
 Your very own lullaby

Well everybody's hit the bottom
 And everybody's been forgotten
 When everybody's tired of being alone
 Yeah everybody's been abandoned
 And left a little empty handed
 So if you're out there barely hanging on
